

United Way of the Brazos Valley 7th Annual Day of Caring

United Way
of the Brazos Valley

From Our Heart To Yours Monday, February 15th

Day of Caring is a volunteer opportunity to work on service projects with non-profit agencies in our community. During this day you can help an agency get a long-awaited paint job for its lobby, help with spring cleaning, or even use your computer skills to help set up spreadsheets or install security software.

United Way of the Brazos Valley's 7th Annual Day of Caring will kick off Monday, February 15th, 8:30 a.m, at St. Thomas Aquinas Catholic Church, 2541 Earl Rudder Fwy S. You will meet a representative from the agency that you will be working with that day, receive a **LIVE UNITED** t-shirt, and a FREE breakfast provided by HEB and La Familia Taqueria.

What's the cost? *NOTHING* To you and your organization--- Citibank has graciously agreed to be our sponsor again this year. Projects will vary in skill and time commitment.

How can you help? Please fill out the form at the bottom of the page and **fax it to us by February 10, 2010**. We'll call you to make sure that we have information to match you with the best project to show your organization's commitment to our seven-county community. From our Heart to Yours, we are grateful for your commitment of time and heart to this day where we embody our motto, **Give ~ Advocate ~ Volunteer...By LIVING UNITED!**

Thank you,
Hank Roraback
President and CEO
