

Your Donation to United way of the Brazos Valley Stays in Our Community

The United Way of the Brazos Valley brings the community together to LIVE UNITED. We are 100% local, and an independent, non-profit agency focused on delivering solid, measurable results to areas that are essential to changing people's lives.

We are not working alone. The United Way partners with other non-profit agencies, businesses, schools, local government and people like you to change lives in our community.

How to get involved with United Way

GIVE

Individual gift – give a personal contribution from yourself or your family. You can do this through our website, by mail or drop it off at our offices.

Through the workplace – give through your workplace campaign at your business or if your place of business does not offer a campaign, please consider organizing one. We will help!

In Kind Donations – in kind donations are always welcome as a way for us to keep costs low or to thank our many volunteers throughout the year.

Business Owners - give a donation on behalf of your business.

ADVOCATE

Be a voice for solutions that will change lives today and improve our tomorrow. Champion a cause that is important to you.

VOLUNTEER

There are many volunteer opportunities through United Way. Consider joining one of our committees like Kids, Families or Health & Safety Matter, Allocations, or Marketing. Give an hour. Give a Saturday. Whether it's reading to children or delivering meals to senior citizens, volunteering a little goes a long way.

Please call or email us with any questions. When we reach out a hand to one, we influence the condition of all. That's what it means to LIVE UNITED.

THANK YOU!
