

United Way of the Brazos Valley

Fall 2019 Internship Cohort Program

United Way of the Brazos Valley offers a great opportunity for current students to build their skills and gain valuable career experience while serving the community. United Way is committed to strengthening our community through meaningful and measurable improvement in Education, Financial Stability and Health.

Benefits of the Internship Cohort Program include:

- Earn academic credit
- Establish professional networks with other cohort members and the community
- Obtain adequate, reliable, and regular supervision and mentoring
- Gain broad exposure to nonprofit organizations and the nonprofit industry
- Attend professional development trainings
- Polish leadership, communication and other skills in specific areas such as event planning, fundraising, etc.

Internship opportunities include:

- Community Impact
- Communications
- 2-1-1 Texas Outreach

Interns provide approximately 15 hours per week for during regular business hours. Scheduling can be flexible around the intern's school schedule. Interns may be asked to work independently or in a team to accomplish their learning objectives. Coaching and feedback will be provided on-the-job and performance evaluation will be conducted at the completion of the internship.

All interns must be present for the orientation in September and a professional development event in November.

Application Procedure

Applications will be accepted from all current undergraduates and graduate students. International students are also welcome to apply! Please complete the Application Form found on our website, www.uwbv.org, and submit your Resume, Application, and Cover Letter by email to Mickal at mlewis@uwbv.org, or drop it off in person at: **1716 Briarcrest Dr, Suite 155** (Aldi's side) in Bryan.
