The Mama Club is a weekly event for teen parents and their babies. (Teen dads come too - Real Men Club) We eat a free meal together and have fun with games and skits. During Club-Talk, we learn to be nurturing and protecting parents and have small group time with mentors. The Mama Club is a place where teen parents receive unconditional love regardless of their past choices. It's a place for teen moms and dads to make friends with others that are facing similar life circumstances. Aggieland Pregnancy Outreach partners with Young Life of the Brazos Valley to bring this fun and life-changing experience.
